

HOW TO 01

Information and Advice

It's important to get the right information when you are caring for someone. Whether you're a new carer or you've been caring a long time, this factsheet can tell you where to find the information and advice you need. Please note that any organisations listed are included for information only and listing does not mean recommendation.

This factsheet is part of **How To... A Guide for Carers in Croydon**. You can download the full series of factsheets from our website www.carersinfo.org.uk. You can also call us on 020 8649 9339, option 1, or visit the Carers Support Centre.
